DVSA earned recognition scheme

DVSA Earned Recognition is a voluntary scheme run by DVSA with an aim to reduce the burden of enforcement on operators with a strong track record of compliance and adherence to standards.

Operators must be able to demonstrate that they have robust systems and processes that promote effective and proactive transport management. By maintaining audited compliance systems, operators will 'earn recognition'.

Key performance indicators will provide an effective means of monitoring the level of compliance, which may avoid the need to carry out a roadside inspection or operator visit and provide DVSA with the assurance and confidence that the operator is effectively managing the transport operation and functioning in a compliant manner.

The main benefits for an operator in DVSA Earned recognition are:

- You'll be provided with a DVSA marquee to use on your website and other publicity materials
- You'll be recognised as a DVSA approved operator through a published list on GOV.UK
- Your OCRS will show a 'Blue' Earned Recognition status, which is the lowest risk score
- Your vehicles are less likely to be stopped at the roadside for inspections
- DVSA enforcement staff are less likely to visit your premises
- You'll have direct access to a DVSA Earned Recognition team

Operators can find out more about DVSA Earned Recognition, and how to apply, by going to the GOV.UK website.

DVSA Earned Recognition status will recognise 'exemplar' operators and their investment made in compliance.
